

Jesus is Risen: Appearance to Mary Magdalene

Practice reading the stories from the Bible and talk about the wondering questions.

First, you might respond by looking up the scripture in your Bible, Matthew 27:57-28:10 and John 20:1-18. This is the scripture I told about in our story today. Let the children be as much involved with looking up scripture and or reading portions of our story.

Secondly, you may respond by pondering the Wondering questions.

I wonder what it was like to hear, “Jesus is alive. Jesus is risen?”

I wonder how Mary knew this person was Jesus?

I wonder how Mary felt when Jesus called her by name?

I wonder what it felt like to tell others that Jesus is risen?

I wonder how we can know that Jesus is alive?

End in Prayer.
